## PROFESSIONAL EXPERIENCE

---

### Mail Resolution Project Temp

**Dept. of Health Care Policy and Financing, State of Colorado, Denver, CO** (2018-2019)

Sorted and catalogued returned mail for action in the Colorado Benefits Management System (CBMS). Entered data, specifically clients' information. Performed access, review, and enter member information in the CBMS and follow-up with clients' information. Provided feedback for process improvement, configurations, customization, and enhancements. Provided updates and status reports to the reporting manager.

### Financial Support/Program Coordinator

**Dept. of Higher Ed., State of Colorado, Denver, CO** (2017-2018)

Managed various client inquiries. Inputted information into programs' database, requesting documents, coordinating with public universities/colleges, etc. Conducted explorations for possible edits or additions to the programs for the future use. Performed general role management duties, supporting accountant team, and more.

### District Intern

**Congressman Scott Peters' District Office, San Diego, California** (2015-2016)

Conducted wide-ranging topical research to address voter and constituent concerns. Performed general office duties, such as fielding phone calls, responding to inquiries, drafting correspondence, and welcoming visitors.
